## CHAMPIONS

Crazy 88 recognizes the competitive excellence of our students as they progress through the rankings and age groups. Only the highest level competitions in Brazilian Jiu-Jitsu and Submission Grappling are listed here. The athletes who have medaled at these tournaments are recognized as the best of their peer groups.

These individuals have come from a wide variety of backgrounds – most with no previous sports training. Everyone from 11-year-old females to hard-working parents who began training in their 30’s have been trained to win at these major tournaments through training at Crazy 88.

## ABOUT US

Since 2005, Crazy 88’s students have earned the majority of all the International level placements in competitive Jiu-Jitsu and Submission Grappling. This includes Baltimore City and County, Howard, Anne Arundel, Carroll County, etc. Despite many Academies claiming to teach Jiu-Jitsu effectively, Crazy 88 students alone represent 97% of all World Championship medalists from the area.
