

2025-2026 After School Program
Crazy 88 Mixed Martial Arts Owings Mills

Our Core Values & Your Child's Experience

At Crazy 88 MMA, we believe that a strong foundation in martial arts goes beyond physical skills—it shapes character, discipline, and lifelong success. Our program is built on four key values that guide how we teach, interact, and support your child's development.

Present & Invested

We are fully engaged in every class, ensuring each child receives the attention and support they need. Our instructors are enthusiastic, friendly, and accommodating, creating an environment where kids feel welcome and excited to learn. By being present in the moment, we foster a space where children feel valued, heard, and encouraged to do their best.

Always Moving Forward

Martial arts is about continuous improvement, and we instill that mindset in every student. Whether it's mastering a new technique, building confidence, or improving focus, we encourage kids to embrace challenges and always strive to be better than they were yesterday. We teach them to take notes, ask questions, and develop a growth-oriented attitude that will serve them in all aspects of life.

Respectful of Foundations

We honor the traditions of martial arts and the structure that makes it so impactful. Your child will learn respect—for instructors, peers, and themselves. They will also gain an understanding of discipline, accountability, and how their actions contribute to the greater good, both in martial arts and everyday life. We emphasize teaching authentic martial arts in a way that remains true to its purpose and values.

Professional

Your child's experience is our priority, and we uphold the highest standards in both instruction and behavior. Our instructors are highly credentialed, dependable, and dedicated to creating a safe and structured environment. We do what we say we will do, modeling accountability and responsibility for the students in our care.

Why This Matters for Your Child

By embodying these values, we ensure that our after-school program is more than just a place to go after class—it's a space for personal growth, confidence-building, and the development of life skills that will benefit them for years to come.

We're honored to be a part of your child's journey and look forward to helping them grow stronger, both physically and mentally, through martial arts!

ALL CHILDREN MUST BE SIGNED OUT BY ONE OF THE PRE-APPROVED PICKUP PERSONS LISTED ON THEIR AFTERCARE WAIVER.

Pickup Procedure

Pickup time is 5:30 pm every day unless your child is participating in our regularly scheduled martial arts program. If they are doing class, pick up time is when their class ends.

Only individuals authorized on the extended waiver will be able to pick up your child. If you need someone other than those listed, the notice must be emailed over to Mahoney@crazy88mma.com a minimum of 24 hours in advance. with the person's first and last name and their relationship to the child. Upon arrival, that individual must show a state-issued ID. If they do not have an ID on hand they will not be able to pick up your child.

Late Policy

Pickup will be every day at 5:30 pm. The only exception to this is if your child is enrolled in our normal nightly martial arts classes and participating in that day's class. Once your child is in class we ask that you wait until after the normally scheduled class bows out, so as not to disturb the class.

There will be a 15-minute grace period for pickup. After 5:45 pm there will be an additional charge of \$15 for every 15 minutes you are late to pick up your child. (Example; 20 minutes late = \$15 late charge, 30 minutes late = \$30 late charge) This will be automatically charged to your payment information on file.

Drop off Policy (non-offered schools)

If you wish to enroll your child in the program but your child does not go to one of the schools we currently offer, you are able to arrange for your child to be dropped off at the facility. We do not offer home pickup.

School Closure Procedures

Emergency

We want to make sure everyone is safe during snow days, so here's our policy for snow days in our after-school program. When there's a snow day declared by local authorities or severe weather conditions and Baltimore County Public Schools are closed for the day, our facility will be closed for after-care services. Safety first! As a result, we won't be able to offer any pro-rated fees or refunds for missed after-care services due to snow days.

Non-Emergency (Scheduled All Day)

We will be offering an all-day camp on select days that BCPS will be closing, for an additional fee as these weeks are pro-rated in the cost. On these days all children currently registered will get the first pick at available spots. After that, we will have limited available spots for additional children! More information on day camps on the next page. The pickup time will remain the same as on normal pickup days (5:30 pm).

3 Hour-Early Dismissal

Emergency

Our priority is ensuring the safety of all children in our after-school program, especially during inclement weather. In the event of an early dismissal due to severe weather or a weather emergency declared by Baltimore County Public Schools, our facility will also have an early closure for after-care services. This decision is made to prioritize the well-being of the children. We understand that early dismissals can create unexpected challenges for parents or guardians. Unfortunately, we are unable to offer pro-rated fees or refunds for missed after-care services on early dismissal days. We appreciate your understanding in this matter.

Non-Emergency

In the case that the school has a scheduled 3-hour early dismissal we will pick up your child, as normal. On these days we will keep the children occupied with our normal daily routine while trying to get some extra outside time (weather permitting). We find that on most of these days, the kids will have little homework, if any, and we like to make these days fun with special activities such as Nerf, laser tag, and crafts!

PROGRAM EXPECTATIONS & BEHAVIOR POLICY

At Crazy 88 MMA, we believe that martial arts is more than just physical training—it is a path to discipline, respect, and personal growth. As such, we take behavior management seriously to create an environment where all students can learn and thrive. Below are our program expectations and the behavior management strategies we use to maintain a positive and structured learning environment.

Behavior Expectations

We expect all students to:

- ✓ Show respect to coaches, classmates, and themselves.
- ✓ Follow instructions promptly and stay engaged in class.
- ✓ Practice self-control and good sportsmanship.
- ✓ Demonstrate effort and perseverance, even when faced with challenges.
- ✓ Maintain a positive attitude and encourage their peers.

Failure to meet these expectations will be addressed appropriately based on the child's age and level in the program.

Our Approach to Behavior Management

As students mature, we introduce a balance of rewards and consequences to encourage both self-motivation and accountability.

✓ Rewards: Good behavior, effort, and respect are recognized with the opportunity to choose a prize from the prize box at the end of class.

✗ Consequences: Poor behavior may result in appropriate disciplinary actions, such as:

- Extra physical exercises (e.g., wall sits, burpees, push-ups).
- Loss of privileges (e.g., missing a fun activity or the prize box).
- For serious offenses, a student may be asked to sit out for the remainder of class.

We find that older students, particularly those in advanced programs, are invested in their training and value their time in class. As such, missing part of a class serves as an effective consequence.

Expectations for Students

- 1 Safe Hands, Safe Bodies: Respect everyone's personal space.
- 2 Follow Directions: Follow directions the first time you are asked.
- 3 Clean Up: If you use it, put it away.
- 4 Respect Adults and Coaches: When addressing adults and coaches we speak respectfully and say, yes sir, yes ma'am, no sir, no ma'am.
- 5 Respect Teammates: Use kind words when addressing your peers/teammates.
- 6 Raise Your Hand: Do not speak when an instructor is speaking, raise your hand for a question or concern.
- 7 Listen To Your Teammates: Listen when a teammate is talk and don't cut them off or speak over them.
- 8 Come Prepared: Arrive everyday with your uniform and all necessary equipment.
- 9 Speak Up: If you are having difficulty, speak up and ask a coach for help.
- 10 Positive attitude: Come everyday with a positive attitude, ready to learn and grow.
